Volkswagen Audi R32 3.2 VR6 EA390 Engine Review
I have been looking at a few 2010 Q5 premiums that have the 3.2 TSI engine. They both are at around the 115,000km mark and are being sold for around \$27,000 (CAD). I know there is the carbon buildup issue, and that it is an expensive service to repair if the engine has to be dropped. I have also read about the high pressure water cleaning.
